

Eight Cousins; Or, The Aunt-Hill (illustrated)

When Rose Campbell, a shy orphan, arrives at The Aunt Hill to live with her six aunts and seven boisterous male cousins, she is quite overwhelmed. How could such a delicate young lady, used to the quiet hallways of a girls boarding school, exist in such a spirited home? It is the arrival of Uncle Alec that changes everything. Much to the horror of her aunts, Rose's forward-thinking uncle insists that the child get out of the parlor and into the sunshine. And with a little courage and lots of adventures with her mischievous but loving cousins, Rose begins to bloom.
