

Emma

Jane Austen was an English author best known for her books of romantic fiction. Despite writing many books that are now considered classics, Austen did not gain much fame during her lifetime, likely due to being a woman. Austen was just 41 years old when she died yet she is still considered one of the best writers of English literature. Austen's *Emma* is a classic romance novel with some comedy mixed in as well.

Design and optimize targeted email marketing campaigns. Emma's digital marketing platform drives results with personalization, segmentation and automation. Emma (Enhanced Media Metrics Australia) is Australia's cross-platform audience insights survey and the accredited readership metric for the news media. The latest Tweets from Emma (@emmachambie): I think about mermaids a lot but not how you think of them. I know they are real and that's what separates you.
