The blood is the life... and it shall be mine. Dracula. Bram Stokers Dracula is the original vampire story. It is an intense horror, filled with evil and death, as well as seduction and desire. The story follows Jonathon Harker as he travels to Transylvania in Eastern Europe to do business with a mysterious man Count Dracula. On his way to the counts castle, he is warned by numerous people even provided with crucifixes, and he is almost attacked by wolves. To his surprise, upon reaching the castle, Harker finds the Count a professional and gentle man that is up until he realizes he has been made the counts prisoner. While he is under serious threat in the castle, strange things happen elsewhere a Russian ship is wrecked, and a woman is found with bite-marks on her neck.
